All God's Critters

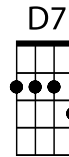

Bill Staines

Chorus:

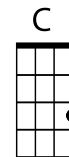

[G] All God's critters got a place in the choir
[D7] Some sing low, [G] some sing higher,
[C] Some sing out loud on the telephone [G] wires,
And some just [D7] clap their [G] hands, or paws
or anything they got now

[G] Listen to the bass, it's the one on the bottom
Where the [D7] bullfrog croaks and the [G] hippopotamus
[C] Moans and groans with a [G] big t'do
And the old cow [D7] just goes [G] moo.
The [G] dogs and the cats they take up the middle
While the [D7] honeybee hums and the [G] cricket fiddles,
The [C] donkey brays and the pony [G] neighs
And the old coy- [D7] ote [G] howls

Chorus

[G] Listen to the top where the little birds sing
On the [D7] melodies with the [G] high notes ringing,
The [C] hoot owl hollers over every- [G] thing
And the jaybird [D7] disa- [G] grees.
[G] Singin' in the night time, singing in the day,
The [D7] little duck quacks, then [G] he's on his way.
The [C] possum ain't got much to [G] say
And the porcupine [D7] talks to him- [G] self

Chorus

(Animals sing first half of the verse)

[G] Everybody here is a part of the plan
We [D7] all get to play in the [G] great critter band
From the [C] eagle in the sky to the [G] whale in the sea
It's one [D7] great sym- [G] phony

Rank Stranger

Alfred E. Brumley

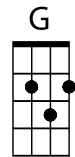

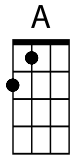

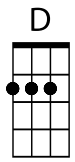

I wandered again to my home in the mountains
Where in youth's early dawn I was happy and free
I looked for my friends, but I never could find them
I found they were all rank strangers to me

chorus:

Everybody I met (everybody I met)
Seemed to be a rank stranger (seemed to be a rank stranger)
No mother nor dad (no mother or dad)
Not a friend could I see (not a friend could I see)
They knew not my name (they knew not my name)
And I knew not their faces (and I knew not their faces)
I found they were all (I found they were all)
Rank strangers to me (rank strangers to me)

I searched every face for a sign of a loved one
And I asked everyone where the old folks could be
I went down the road to inquire of some neighbors
But found they were too, rank strangers to me

"They've all moved away," said the voice of a stranger
"To a beautiful land by the bright crystal sea"
Some beautiful day I'll meet them in heaven
Where no one will be a stranger to me

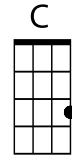

chorus

Will The Circle Be Unbroken

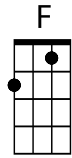

Traditional

I was standing by my window on a cold and cloudy day
When I saw that hearse come rolling for to carry my mother away

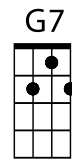

Chorus

Will the circle be unbroken, by and by, Lord, by and by
There's a better home awaiting in the sky, Lord, in the sky

Well I told the undertaker, undertaker, please drive slow
For the body you are hauling, Lord, I hate to see her go **chorus**

Yes I followed close behind her, tried to hold up and be brave
But I could not hide my sorrow when they laid her in the grave **chorus**

Went back home, Lord, oh so lonesome, since my mother she was gone
All my brothers, sisters crying, what a home, so sad and lone **chorus**

Chorus

Will the circle be unbroken, by and by, Lord, by and by
There's a better home awaiting in the sky, Lord, in the sky
There's a better home awaiting in the sky, Lord, in the sky
